### NOTES

1. In view of the massive outbreak of the COVID-19 pandemic, social distancing is a norm to be followed and pursuant to the Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 issued by the Ministry of Corporate Affairs followed by Circular No. 20/2020 dated May 05, 2020, physical attendance of the Members to the AGM venue is not required and annual general meeting (AGM) be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice

2. Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting. The said Resolution/Authorization shall be sent to the Scrutinizer by email through its registered email address to yogesh@bpcorpadvisors.com with a copy marked to evoting@nsdl.co.in

3. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from, April 1, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate all risks associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialized form. Members can contact the Company or Company's Registrars and Transfer Agents, for assistance in this regard.

4. Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company through email on shares@nationalgroup.in. The same will be replied by the Company suitably.

5. The Register of Members and Share Transfer Books will remain closed from 21st September, 2020 to 25th September, 2020 (both days inclusive).

6. Members wishing to claim dividends that remain unclaimed or which have been transferred to IEPF are requested to correspond with the Registrar and Share Transfer Agents as mentioned above, or the Company Secretary at the Company's registered office. Members are requested to note that dividends that are not claimed within seven years from the date of transfer to the Company's Unpaid Dividend Account will, as per Section 124 of the Act, be transferred to the Investor Education and Protection Fund (IEPF). Shares on which dividend is unclaimed for seven consecutive years will be transferred to the IEPF as per Section 124 of the Act and as per the applicable rules.

7. Members holding shares in single name and in physical form are advised to make nomination in respect of their shareholding in the Company by submitting Form SH-14.

8. Members holding shares in physical form are requested to intimate the Company regarding any change in their address/bank mandates to enable the Company to address future communications to their correct addresses. Members holding shares in electronic/dematerialised form are requested to

## NATIONAL PLASTIC TECHNOLOGIES LTD

inform the Depository Participant (DP) with whom they hold their demat account, about the changes in their address/bank details for necessary updates.

### **Management Discussion and Analysis Report**

The Management Discussion and Analysis Report sets out developments in the business environment and the Company's performance. The analysis supplements the Board's Report, which forms part of this Annual Report.

### **Economy Overview**

The Covid-19 Pandemic has impacted the entire Indian Economy and almost all sectors of the Indian Economy have been severely affected. The GDP is expected to shrink in 2020-21 for the first time in many decades. In spite of the near term challenges, the long term outlook is still positive and instills hope to industries that things will improve hereafter.

### **Plastics Industry Scenario and Development**

The Indian Plastics Industry has registered good growth over the last few years. The Industry makes significant contribution to economic development and growth of various key sectors in the country like Consumer Durables, Automotive, FMCG etc. The near term outlook is uncertain for the industry due to the impact of Covid-19 pandemic. However, the long term outlook is promising as the Industry is expected to touch the turnover of Rs.5 Lakh Cr mark by 2025 and employ around 6 million people to become one of the largest employers in India. Further, Government initiatives are opening up opportunities for accelerated growth in the Plastics Industry. Rapid urbanisation, low per capita consumption at present, shifting consumer lifestyles, large young population, many manufacturing segments adopting higher percentage of plastics, etc are contributing towards the growth of Plastics Industry.

### **The Indian Consumer Durable Industry**

India is one of the largest Consumer Durables market and has registered very good growth in recent years. Though the Industry is expected to shrink in the current financial year in view of the Covid-19 pandemic, the Industry is expected to bounce back and register good growth. The Industry is expected to grow at a steady pace over the next few years which augurs well for plastic parts manufacturers like us who cater to this Industry. Urban markets account for the major share of total revenues in the Consumer Durables sector in India. There is a lot of scope for growth from rural markets with consumption expected to grow in these areas as penetration of brands increases. Also, Durables like refrigerators, washing machines, etc are likely to witness growing demand in the coming years, especially in the rural markets which are least affected by the Pandemic. .

### **The Indian Auto Component Industry**

The Indian Automotive Component Industry has been badly affected in FY20 by multiple factors like, low GDP growth, Covid-19 Pandemic, etc. Further, due to the Pandemic, the current financial year is also expected to be bad. However, the long term outlook is robust due to low level of vehicle penetration, rising incomes and aspirations of the Indian consumers, availability of various vehicle models at different price points, inadequate public transport and greater focus of OEMs on the under penetrated rural and semi-urban markets.

### **Company Overview & State of Affairs**

The Company has been able to register good growth in turnover and profitability during the year despite the Pandemic and bad macro-economic condition. Though the current financial year is expected to be muted in view of Covid-19 Pandemic, the long term growth prospects of the Company are well intact. Usage of plastic products in Automotive and Consumer Durable industries is rising

## NATIONAL PLASTIC TECHNOLOGIES LTD

due to its advantages in designing, cost reduction and weight reduction. Further, the Industry itself is growing at a good pace thus creating opportunities for the Company. The Company is predominantly into manufacture of products for Automotive and Consumer Durable industries and is already a major supplier of plastic products to the above mentioned industries. The Company is well positioned to capitalise on the opportunities over the next few years.

### **Opportunities and Threats**

While the rise in demand is an opportunity for the Industry, increased competition in the processing sector and fragmented nature of the plastic processing units are a threat to the Company.

### **Business Outlook**

Current low per capita consumption level of plastic products as compared to developed countries suggests that India offers a huge opportunity over long term. Company has ample opportunities to grow by producing more products to meet the demand and achieve growth.

### **Risks and Concerns**

Risks are adequately measured, estimated and controlled based on the type of risk or the activity that creates it. The Company's fundamental approach to risk management is to identify, measure and reduce risks through knowledge of the business.

### **Internal control systems and their adequacy**

The Company has designed and implemented a process driven framework for internal financial controls within the meaning of the explanation to Section 134(5)(e) of the Companies Act, 2013 and the necessary control systems considering the business requirements, scale of operations and applicable statutes are in place in the organisation. The system includes the policies and procedures, delegation of authority, internal checks, segregation of duties, internal audit, review framework, etc. The Company has designed the necessary internal financial controls and systems with regard to adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, to maintain accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

### **Cautionary Statement**

Statement made herein describing the Company's expectations or projections are "Forward looking statements". The actual results may differ materially from those expected or forecast depending on market conditions, input costs, economic development, Government policies and other external factors.

## INDEPENDENT AUDITOR'S REPORT

To the Members of

**M/s National Plastic Technologies Limited**

**Report on the Audit of the Standalone Financial Statements**

### **Opinion**

We have audited the accompanying standalone financial statements of M/s National Plastic Technologies Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, the profit and total comprehensive income, changes in equity and its cash flows for the year then ended on that date.

### **Basis for Opinion**

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We do not have any key audit matters to be communicated in our report.

## NATIONAL PLASTIC TECHNOLOGIES LTD

### **Information Other than the Standalone Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Company's Annual Report, but does not include the standalone financial statements and our auditor's report thereon. Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

## NATIONAL PLASTIC TECHNOLOGIES LTD

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design **audit** procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of **accounting** estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of **accounting** and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Report on Other Legal and Regulatory Requirements**

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

## NATIONAL PLASTIC TECHNOLOGIES LTD

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books and proper returns adequate for the purposes of our audit have been received from the branches not visited by us.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account and with the returns received from the branches not visited by us.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

(i) The Company does not have any pending litigations which would impact its standalone financial positions.

(ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

(iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by the Company.

2 As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

### **ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT**

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of M/s National Plastic Technologies Limited of even date.)

Report on the Internal Financial Controls over Financial Reporting under clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013("the Act")

We have audited the internal financial controls over financial reporting of M/s National Plastic Technologies Limited ("the Company") as of 31st March, 2020 in conjunction with our audit of the standalone Ind AS financial statements of the company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures

## NATIONAL PLASTIC TECHNOLOGIES LTD

that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements

## 1. Corporate information

National Plastic Technologies Limited (L25209TN1989PLC017413), a public limited company domiciled in India with its registered office located at 44, Pantheon Road, Thiru Complex, 2nd Floor, Egmore, Chennai – 600 008. The Company is predominantly into manufacture of products to automotive industry and consumer durable industry and is already a major supplier of Injection Moulded Plastic Products. At present the company has 4 production plant situated in the state of Tamil Nadu (Guindy, Irrungattukottai (SIPCOT)), Himachal Pradesh (Sirmour) and in the Union Territory of Puducherry.

The Company is listed on the Bombay Stock Exchange (BSE).

The financial statements were approved for issue by the Board of Directors on 16th June 2020.

## 2. Basis of preparation of financial statements

### 2.1 Basis of preparation and compliance with Ind AS

The Financial Statements of the Company as at and for the year ended 31st March 2020 have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Section 133 of the Companies Act, 2013 ('Act'), and the Companies (Indian Accounting Standards) Rules issued from time to time and relevant provisions of the Companies Act, 2013 (collectively called as Ind AS).

### 2.2 Basis of measurement

The financial statements have been prepared on a going concern basis, using historical cost convention and on an accrual method of accounting, except for financial assets, financial liabilities and defined benefit plans which have been measured at fair value, as required by relevant Ind AS.

### 2.3 Current and non-current classification

The Company presents assets and liabilities in the Balance Sheet based on current / non-current classification. An asset is classified as current if it satisfies any of the following criteria:

- a) It is expected to be realised or intended to be sold in the Company's normal operating cycle.
- b) It is held primarily for the purpose of trading,
- c) It is expected to be realised within twelve months after the reporting period, or
- d) It is a cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is classified as current if it satisfies any of the following criteria: a) it is expected to be settled in the Company's normal operating cycle, b) it is held primarily for the purpose of trading, c) it is due to be settled within twelve months after the reporting period d) there is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. The Company classifies all other liabilities as noncurrent. Current liabilities include current portion of noncurrent financial liabilities

Deferred tax assets and liabilities are classified as noncurrent assets and liabilities.

### 2.4 Use of estimates and assumptions

The preparation of the company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

## NATIONAL PLASTIC TECHNOLOGIES LTD

### **2.5 Property, plant and equipment**

Property, plant and equipments are stated at historical cost less accumulated depreciation. Cost comprises of purchase price and other attributable costs , if any , in bringing the assets to its working condition for its intended use.

#### **Depreciation**

(i) Depreciation on Property, plant and equipment is provided for on Straight Line method in the manner prescribed in Part C of Schedule II of the Companies Act, 2013 except for Plant and Machinery and Electrical Fittings of Irungattukottai and Guindy plant.

Based on engineer's certification, the useful life of Plant & Machinery and Electrical fittings of Irungattukottai and Guindy plants have been considered as follows :

- (a) Plant & Machinery - 25 Years
- (b) Electrical Fittings - 15 Years

(ii) Depreciation is provided after reckoning the maximum residual value @ 5% of the original cost of the asset.

(iii) In respect of addition of assets during the year, depreciation has been provided on Pro-rata basis.

### **2.6 Intangible Assets:**

Separately purchased intangible assets are initially measured at cost. Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.

#### **Amortisation**

The useful life of Intangible assets are assessed and amortised on the straight line basis over the period of their expected useful life.

The computer software are amortised over the period of 6 years on straight line basis.

### **2.7 Inventories**

Inventories are valued as under :

- (I) Raw Materials, Stores & Consumables\* - at lower of cost or net realisable value.
- (ii) Work In progress\*\* - at cost.
- (iii) Finished Goods\*\*\* - at lower of cost or net realizable value.

Costs are arrived at by using FIFO method and it includes the followings :

\* Cost of raw materials includes purchase price plus transportation charges, insurance charges, handling charges and other direct attributable costs to bring the material to the present location as on the reporting date.

\*\* Cost of Work in progress includes landed cost of raw material plus proportionate labour and overheads on absorption costing basis.

\*\*\* Cost of finished goods includes landed cost of raw material plus proportionate labour and overheads on absorption costing basis.

### **2.8 Revenue recognition**

#### **Sale of goods**

Revenue is recognised at the fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government such as sales tax, value added tax and Goods & Service Tax except excise duty.

## NATIONAL PLASTIC TECHNOLOGIES LTD

### **Others**

All other incomes are recognised when no significant uncertainty as to its subsequent realisation exists.

### **2.9 Employee benefits**

#### **(i) Short-term employee benefits**

Short term employee benefits are recognized as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

#### **(ii) Post Employment benefits**

##### **(a) Defined contribution plans**

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Contributions paid/payable for Provident Fund of eligible employees is recognized in the statement of Profit and Loss each year.

**(b) Defined benefit plans** A defined benefit plan is a post-employment benefit plan other than a defined contribution plan. The Company's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

Post employment benefits are recognized as an expense in the statement of profit and loss for the year in which the employee has rendered services. The calculation of defined benefit obligation is performed by a qualified actuary using the projected unit credit method.

### **2.10 Financial instruments**

Financial instruments are recognised when the Company becomes a party to the contractual provisions of the instrument. Regular way purchases and sales of financial assets are recognised on trade-date, the date on which the Company commits to purchase or sell the asset.

#### **(A) Financial Assets**

The Company determines the classification of its financial assets at initial recognition. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

The financial assets are classified in the following measurement categories: a) Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and b) Those to be measured at amortised cost.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss as incurred. Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments.

## NATIONAL PLASTIC TECHNOLOGIES LTD

### **(I) Amortised Cost**

The Company classifies its financial assets as at amortised cost only if both of the following criteria are met:

- a) The asset is held within a business model with the objective of collecting the contractual cash flows, and
- b) The contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal outstanding.

Financial assets at amortised cost include loans receivable, trade and other receivables, and other financial assets that are held with the objective of collecting contractual cash flows. After initial measurement at fair value, the financial assets are measured at amortised cost using the effective interest rate (EIR) method, less impairment.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the statement of profit or loss. The losses arising from impairment are recognised in the Statement of Profit or Loss in other income.

### **(ii) Fair value through other comprehensive income**

Financial assets that are held for collection of contractual cash flows and for selling the financial assets, where the asset's cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment gains or losses, and interest revenue which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss and recognised in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method.

### **(iii) Financial assets at fair value through profit or loss**

The Company classifies the following financial assets at fair value through profit or loss:

- a) Debt investments that do not qualify for measurement at amortised cost;
- b) Debt investments that do not qualify for measurement at fair value through other comprehensive income; and
- c) Debt investments that have been designated at fair value through profit or loss.

### **Derecognition of financial assets**

The Company derecognises a financial asset when the contractual rights to the cash flows from the assets expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

### **(B) Financial Liabilities**

The Company determines the classification of its financial liabilities at initial recognition.

#### **Classification**

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss.

#### **Initial recognition and measurement**

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss. Loans and borrowings, payables are subsequently measured at amortised cost.

## NATIONAL PLASTIC TECHNOLOGIES LTD

### **Derecognition of financial liabilities**

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

### **(C) Equity investments**

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

### **2.11 Cash and cash equivalents**

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above.

### **2.12 Taxation**

Provision for taxation comprises of the current tax provision, and the net change in the deferred tax asset or liability during the year. Provision for deferred tax is made on the timing differences arising between the taxable income and the accounting income computed using the tax rates and the laws that have been enacted or substantively enacted at the reporting date.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

### **2.13 Segment accounting**

The company operates in a single segment, i.e Injection Moulded Plastic Products and hence does not call for segmentwise disclosure of assets, liabilities, revenues or expenses as prescribed under Accounting Standard 17 on "Segment Reporting", issued by ICAI.

### **2.14 Provisions, Contingent Liabilities, Contingent Assets and Commitments**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

## NATIONAL PLASTIC TECHNOLOGIES LTD

Contingent liability is disclosed in the case of:

A present obligation arising from the past events, when it is not probable that an outflow of resources will be required to settle the obligation;

A present obligation arising from the past events, when no reliable estimate is possible;

A possible obligation arising from the past events, unless the probability of outflow of resources is remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

### **2.15 Cash flowstatement**

Cash flow are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals of accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and finance activities of the Company are segregated.

### **2.16 Earnings pershare**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.
